WERNACRES CAMEO 56th—Another real good son of Louada Camouflage, and is perhaps one of the best bulls he has ever sired.

The fertile Illinois countryside is ideal for a program of either pure or commercial Shorthorn cattle. Typical of the many fine herds in Illinois are these cows at Tempel Farms, Wadsworth, who consign one bull and one female to this sale this year.

Beef is increasing in demand every day. Last year 105 pounds of beef per person was consumed on the average by Americans. This figure is expected to increase again this year. With no noticeable increase in cattle numbers the beef industry has never been in a stronger position. HELP SUPPLY THIS DEMAND . . . start or add to your present herd of Shorthorns . . . the fast growing and gaining beef animal.

WALNUT ROSEWOOD LADY—Sells with a December 29, 1965 roan heifer calf by **Lynnwood Allegiance x** at foot. This cow has produced many outstanding club steers for us. One of her sons stood in the upper one-third of his class at the 1963 International. Her Feb. 2, 1965 steer sold for club work to LaPorte County, Indiana, a daughter sold in last year's North Central sale to Don Benson, Mazon, Ill. We are retaining a daughter in our herd. The calf at foot should prove a worthwhile investment. Our calves by **Allegiance** are the finest we've produced. **Lynnwood Allegiance x**, sired the 1965 All-American junior calf for **Lynnwood**.

"The Sale of Satisfied Buyers" is just that! People return year after year, because they know the reputation of the breeders selling and they know the performance of the cattle after they have purchased.
